Newsletter - December 2012

General Meeting - Tues 12/11 - Business Update!

We look forward to seeing you Tues. Dec. 11 in the Pres. Library, for our 3rd General Meeting of the year. We will be discussing the business aspects of the Show, and get an update on recent fundraisers & student model/hostess applications. The meeting will last approx. 1 hour and then we will host a brain storming discussion about participant and parent communications for our show.

Thank you to everyone who supported our Holiday Pies drive and Jewelry party!!

We are pleased with the success of this year's Holiday Pie drive! We donated over 40 pies to Sacred Heart Community Services, while raising funds to cover our costs. Also, we accumulated over 40 mystery gifts as a result of our first Jewelry Party on Nov. 30th.

Help Wanted!

We are looking for someone who would be able to spend a few minutes daily processing emails from our ticketing system. Help is needed from late January thru March to forward incoming orders to the appropriate chairs. If you are interested, please contact any Executive Board member.

Frequently Asked Technology Questions

I am ready to get going, but I can't figure out how to get on "box"

Go to www.box.com and log in or set-up a new user account.

I am on "box" but can't see anything.

Once you have an account, you must "link" to the libraries you need. For files, go to the Fashion Show Archive (click here or use link in bottom right corner of this newsletter.) Click the link for the files you want to see (2012 and 2011 are below 2013.)

When should I upload things for this year?

As materials are completed for our show, please upload them on box. It is best to save the master while you are wrapping up so you don't have to remember later.

How can I upload things for this year?

You can put up files by going into the 2013 folder for your committee and select the "upload" button.

If you do not have rights to upload, contact your exec board member (names on the right) or your co-chair. Anyone who has rights to upload may give anyone else rights to upload – this is a peer based systems, so even you can share folders with others.
